

Dr Xinzhao Chu awarded “Best Poster” at the 25th International Radar Conference 2010”

The 25th International Laser Radar Conference (ILRC) was held in St Petersburg, Russia during July of 2010. Dr Xinzhao Chu was awarded the “Best Poster” out of a selection of almost 200 posters. Her poster is entitled “Fe Doppler-Free Spectroscopy and Optical Heterodyne Detection for Accurate Frequency Control of Fe-Resonance Doppler Lidar”. CU Boulder (CIRES and AES) and NOAA had a very strong presence at the conference with various posters and numerous talks.
