Pfeiffer

Phil Silva
Akinori Takami
Takao Miyoshi

Akio Shimono A.Shimono@sanyu.to
Guenter Peter Guenter.Peter@inficon.com
Stephen Foster SFoster@Pfeiffer-Vacuum.com

Introductions....

- We have a user base made up of people from different places and with widely varying areas of expertise (ex. Physics, Chemistry, Atmospheric Sciences)
- If we work together we all stand to gain a lot more than if we work as isolated groups

AMS User's Group Meeting
