## *It's a bird, it's a plane, it's Super Climate Girl*

Cliff Grassmick / Staff Photographer

**F**rom left, Jacob Rodriguez, Isaac Olarte and Michelle Van Zant (Super Climate Girl), middle school students in the St. Vrain Valley School District, film an infomercial on climate change with help from mentors Aroob Abdelhamid, center, and Jacob Sadow (providing wind) at the UMC building at the University of Colorado Boulder.

CIRES Education and Outreach hosted a series of three science camps for youth in Colorado, such as Lens on Climate Change (LOCC).

Students will be showcasing their films in a public screening Saturday at 2 p.m. in the CU ATLAS building.
