
What Is the Difference between Science and Pseudoscience?

Astrological Descriptions of Personalities

1. This is the sign of the self, people born under this sign strongly project their personalities onto others and can be very self-oriented. They tend to venture out into the world and leave impressions on others that they are exciting, vibrant and talkative. They live adventurous lives and like to be the center of attention, but rightly so since they are natural, confident leaders.
2. These people are many sided, quick both in the mind and physically. They are brimming with energy and vitality, they are clever with words. They are intelligent and very adaptable to every situation and every person. They are curious and always want to know what's going on in the world around them. This can sometimes make them nosy, they do not mind their own business!
3. This sign exists in the mind, everything is inside. To the world, they presents a calm and collected exterior but on the inside, nervous uncontrolled intensity in the mind, trying to figure things out, how to improve everything, analyzing and thinking. They can tire themselves out without even moving! They have a constant drive to improve and perfect, this can lead to extreme pickiness and finickiest.
4. This sign possess a kingdom which they protest and cherish. They are highly esteemed, honorable and very devoted to themselves in particular! The kingdom could be anything from work to home to a partner, whatever it is, you rule it. They are always center stage and full of flair, they enjoy basking in the spotlight. This sign always makes their presence known.
5. This is a mysterious sign, filled with contradictions. They want security and comfort yet seek new adventure. They are very helpful to others yet sometimes can be cranky and indifferent. This sign has a driving, forceful personality that can be easily hidden beneath a calm, and cool exterior. They can come out of their shell and fight but they can also hide in their shell or skitter away back into the depths of the ocean. They are very unpredictable.
6. These people are able to put themselves in other's shoes and see things through another person's point of view. They are the ones that always want to make things right

and have balance and harmony in their life, their surroundings and the lives of the people close to them. They have captivating charm, elegant taste and they are easy to like due to their eager-to-please, easygoing nature.

7. This sign lives in two worlds, the real world and the spiritual or mystical world where they interpret what they see into what they want. They do this to avoid all the realities of pain and suffering in the world. They have extremes of emotions and feel both good and bad intensively. They have formidable intuitive ability. Most people with this sign are somehow involved with occult or spiritualism.
8. This is the sign of visionaries, unconventionality and intellectual independence. They are the people who deviate from the crowd and go their own way. They are always after intellectual stimulation, constantly discovering something new, forming new opinions and stubbornly traveling their way regardless of what other people think.
9. This sign is the one who has immense perseverance; even when others have given up, this sign rages on. Solid and persistent, they have a well known reputation for being stubborn, which is not necessarily a bad thing. The stubborn streak can cause them to butt heads and conflict with other strong character types. They are not fond of change.
10. This sign seems to be guided by luck; good things happen to them and this is usually because of their optimistic outlook and positive disposition which attracts good fortune. Despite hardships, this sign is always optimistic that good things will happen tomorrow and the future carries good luck. They have a vibrant, expansive personality that is free like a bird, they cannot be contained.
11. This sign is very ambitious. They always have something they are pursuing and they want their lives to be fulfilled and important. They have a very active mind and strong powers of concentration. They like being in control of their surroundings and everyone in their life. They tend to see life in black or white definitives only.
12. This is the astrology sign of extremes and intensity. They are very deep, intense people; there is always more than meets the eye. They present a cool, detached and unemotional air to the world yet lying underneath is tremendous power, extreme strength, intense passion and a strong will and a persistent drive. On the outside, this sign has great secretiveness and mystery.
